EGG CLASSES

The show features three main judging divisions, the SHELL Classes, the CONTENTS Classes. The classes are divided by color and size, including both large fowl and bantam sized eggs, with categories that anyone can enter, even if you just have one egg. Sage Talavera is our esteemed Egg Show judge and is available for questions before and after the show.

SHELL Classes are divided into White Class, Brown Class, and Colors Class, including blues, greens, olives, pinks, pastels, and tinted. The Tricolor Class requires three different colors or shades of eggs in each entry. The Single Egg Class includes single eggs from your chickens and all other kinds of poultry. If you have an odd egg, small egg, large egg, beautiful egg, this is the Class to enter.

CONTENTS Classes in both bantam and large fowl will be judged on their interior qualities. A single egg entry is cracked open and judged on the color, shape and form of the yolk and albumin, and on the freshness and visibility of the structures of the egg. Pick your freshest egg and see how it stands up to the rest!

AWARDS

A Grand Champion, Reserve Champion and Junior Champion will be awarded at the conclusion of the show, based on cumulative points. Coyote Creek Farms has partnered with us to provide category prizes. The more entries you make, the more points you earn towards the top honors.

Points for this show will count toward the Texas Annual Bluebonnet Egg Show competition.
